How It Works

1. **Set Up a Tournament**
   Pick a trivia category and a prize fans will compete for, like a signed shirt, match tickets, or a stadium tour.
2. **Your Fans Enter**
   Share the link or QR code. Fans pay a small entry fee, play the quiz, and climb the live leaderboard.
3. **Community Wins**
   The top scorer wins the prize. The entry fees go directly to your foundation.

THE SMART FUNDRAISING CHOICE

Why Trivia?

Fans Love to Compete
Football fans are competitive and passionate about their teams. They enter because they want to win.

Spreads Organically
Tournaments travel through supporter groups and social channels, even without paid promotion.

Prizes Only You Can Offer
Signed shirts, match tickets, meet-and-greets. Prizes no other fundraiser can match.

Fully Transparent
Every entry fee goes to your foundation. Secure payments, funds released when the tournament closes.
