How It Works

1. **Set Up a Tournament**
   Level4E configures a trivia tournament for your organisation. Pick a theme and a prize your supporters will compete for.

2. **Your Supporters Enter**
   Share the link or QR code. Supporters pay a small entry fee, play the quiz, and climb the live leaderboard.

3. **Your Cause Wins**
   The top scorer wins the prize. Entry fees flow directly to your organisation's cause.

THE SMART FUNDRAISING CHOICE

Why Trivia?

Because It's Fun
Because its fun! Because it's sticky content, and drives fan engagement!

Spreads Organically
Tournaments travel through supporter groups and social channels, even without paid promotion.

Prizes Only You Can Offer
Signed shirts, match tickets, meet-and-greets. Prizes no other fundraiser can match.

Fully Transparent
Every entry fee goes to your organisation. Secure payments, funds released when the tournament closes.
